Darya

18 COLOURS

Full colour luxury.

Made of premium quality resin and mineral filler, the Darya washbasin is available in 18 carefully selected finishes. This colourful covering not only brings vitality and joy to the space, but also stands out for its strength and exceptional quality.

With a modern and durable design, this washbasin redefines the bathroom experience, offering a distinctive touch of luxury and sophistication. Discover the perfect fusion of style and durability with the new Darya washbasin.

Available in sizes 60, 80, 100 and 120 cm, with a height of 10 cm, it can be mounted on a cabinet or directly on the wall. As an option, it is also possible to order the washbasin without tap holes.

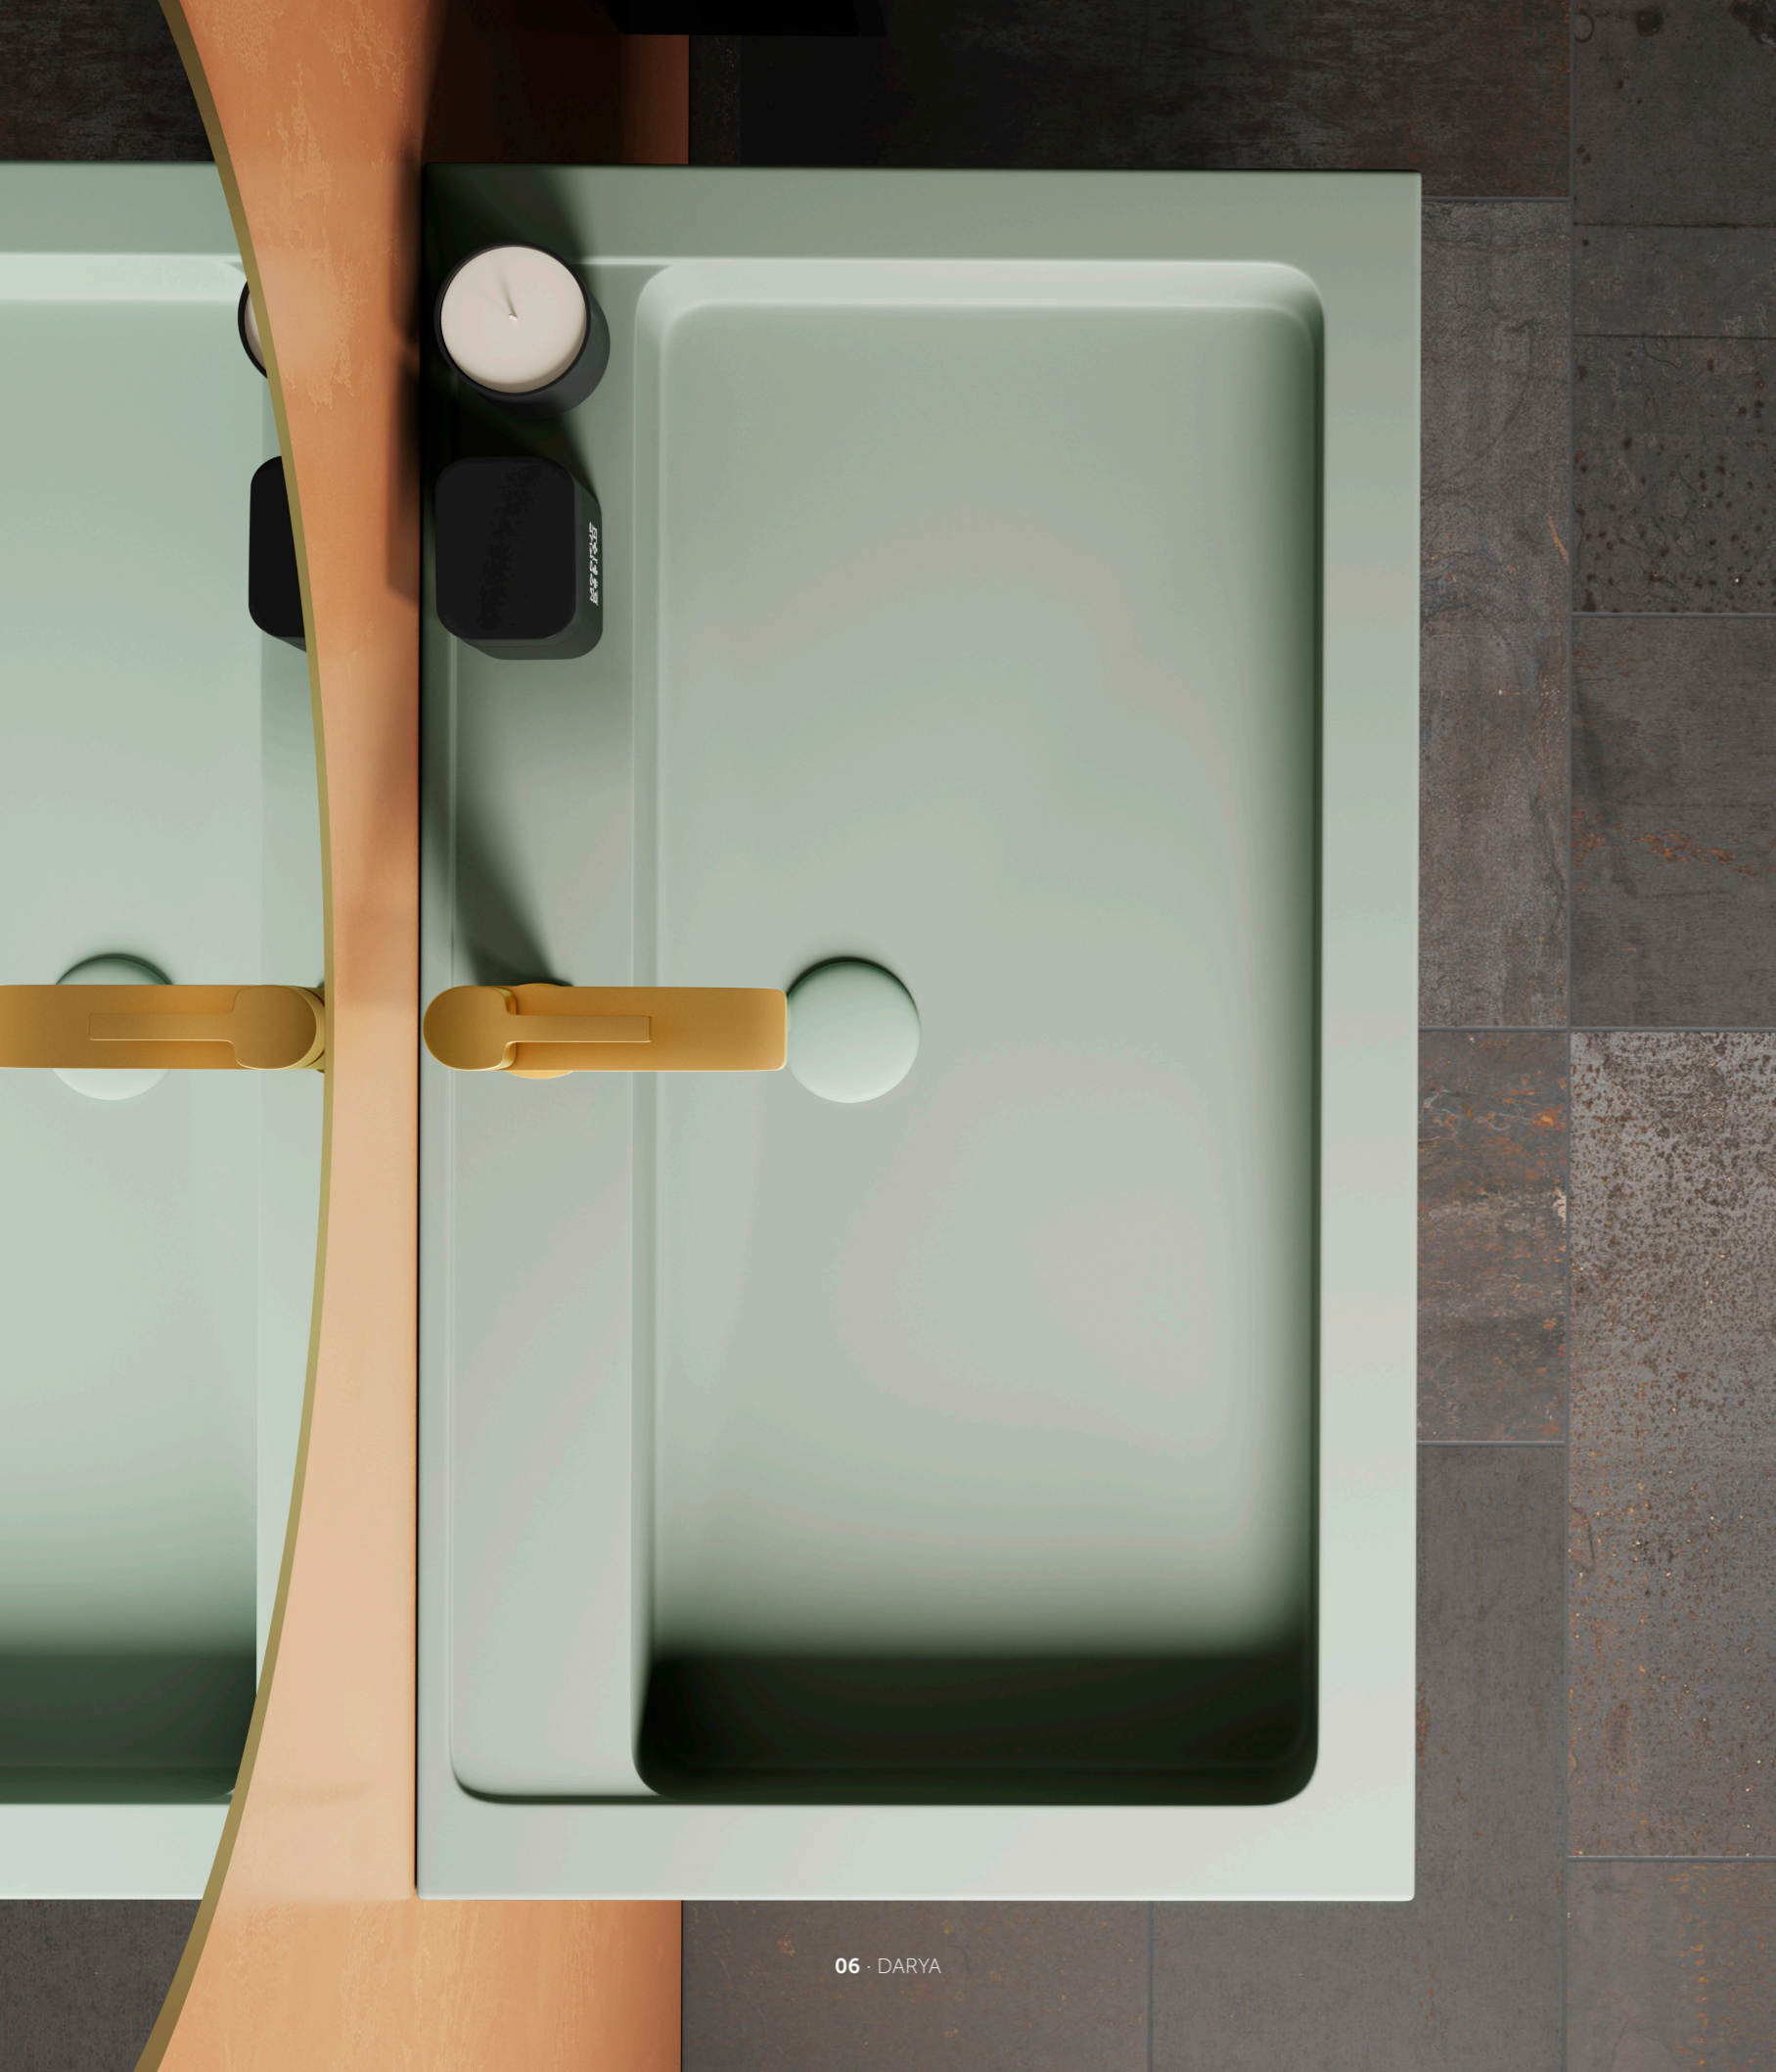

KROMTEK is the coating technology developed by **COYCAMA** for its ceramic and resin washbasins. This technology comes from experienced sectors such as the automotive industry and has been adapted by technical specialists, successfully passing all the tests of the independent technological institute **AIDIMME**.

Height 10 cm
